

# LNG

in Baltic Sea Ports II

## SAVE THE DATE: 2-3/DEC/2015

### LNG in BSP II – Final Conference

Port of Trelleborg, Hamngatan 9, Trelleborg  
6th floor, conference room: Malmrossalen (*Hall of Malmros*)

**We are happy to welcome you to Trelleborg, Sweden for the LNG in BSP II – Final Conference to be held on 2-3 December 2015, in the Port of Trelleborg.**

“LNG in Baltic Sea Ports” Projects are Motorways of the Sea activities co-financed by the EU TEN-T Multi-Annual Programme and offer a possibility in the process of adapting to the new SECA sulphur content limits. The initiative aims to foster a harmonised approach towards LNG bunker filling infrastructure in the Baltic Sea area and seven ports are involved in the first project – Aarhus, Copenhagen-Malmö, Helsingborg, Helsinki, Stockholm, Tallinn and Turku.

The sequel project, co-ordinated by Port of Helsingborg expands the development of LNG small scale infrastructure in the Baltic ports of: Trelleborg, Sundsvall, Rostock and Klaipeda-Klaipėdos Nafta. “LNG in Baltic Sea Ports” Projects will result in the establishment of an extensive network of ports with planned facilities for LNG bunkering in the Baltic region – 9 core and 2 comprehensive ports.

Participation in the LNG in BSP Projets Final Conference is free of charge.
